**SYMPOMS OF CATARRH.**—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the nose, sometimes profuse watery, and sometimes thick, yellowish, mucus, turbulent, bloody and purulent; the eyes are weak and watery; there is a ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with pain from the nose, the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired, there is a sensation of distress, with mental depression, headache, and general debility. Only a few of the above named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in complete recovery, and in the very few cases where the disease is so common, more deeply seated and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh. Call it to the Head, Cervix, and Catarrhal Headache. Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. H. Haskins, the famous mesmerist, of Ithaca, N. Y., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hacking and spitting up blood. My physician told me I must die, and said I must die. My case was much a bad one, that every day, towards sunset, my voice would be gone, so hoarse, and could barely speak when I awoke in the morning, my breathing and clearing of the throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."
